Dear Mr. Goldman:

Pursuant to the Court's PPTC order, the government gives supplemental notice of its intent to use expert testimony pursuant to Rule 16(a)(1)(G). The government anticipates calling the following expert witness:

1. Brian Nishida -- Mr. Nishida is a Computer Forensic Examiner with the FBI. He will testify as to the Platinum Concepts back-up tapes which contain the Platinum files for years prior to 2006. Mr. Nishida transferred this data to CD disks as well as a hard drive, which I believe he provided to you earlier this month. Mr. Nishida will also testify regarding the directory trees and the time and date stamps on the files. Mr. Nishida has previously testified as an expert witness for the government in the Western District of Wisconsin. Enclosed is a copy of his curriculum vitae. Please call me if you have any questions. I can be reached at (608) 250-5468.

Very truly yours,

JOHN W. VAUDREUIL  
United States Attorney
